Absolute values and their completions -like the p-adic number fields- play an important role in number theory. Valued fields, Springer Monographs in Mathematics, Springer-Verlag, Berlin, Valued Fields: Algebra and Model Theory. Math M, Fall Quarter A. J. Engler, A. Prestel, Valued Fields, Springer Monographs in Mathematics. Dez. Absolute values and their completions -like the p-adic number fields- play an important role in number theory. We will then study the model theory of valued fields, and how it can be applied. Prestel, Valued fields, Springer Monographs in Mathematics.
